

Guidelines for Sangha Hall Classroom 1

Sangha Hall Classroom 1 (capacity limit 9) is available for Dharma School and general use provided prior approval is received from the Building Activities Committee (BAC). The Sangha Hall hallway restrooms are available to all groups. Everyone is encouraged to limit physical contact with one another and maintain proper physical distance. While the MVBT **strongly recommends** wearing masks, groups reserving classroom space other than for Dharma School, may **require** mask wearing (and vaccinations). Classroom use for Dharma School **requires** all attendees to wear masks properly.

In addition to these requirements, all organizations must comply with the following:

Before Meeting:

- Use of Attendance Sheet for contact tracing purposes is encouraged.
- Open classroom door to exterior hallway.
- Open window.
- Turn on air purifier to be located near the door.

After Meeting:

- Turn off air purifier.
- Use electrostatic sprayer (located in Sangha Hall Game Room) to disinfect all tables, chairs, and high-touch areas if another group is scheduled to use space in less than 24 hours.
- Return all furniture to original positions.
- Collect trash and recyclables and dispose in dumpsters near YBA Hall.
- Turn off lights.
- Close window and lock door.
- Secure Sangha Hall (if applicable).
