

## Guidelines for YBA Hall Kitchen

The YBA Hall Kitchen (capacity limit 34) is open for general use provided prior approval is received from the Building Activities Committee (BAC). The YBA Hall hallway restrooms are available to all groups. Everyone is encouraged to limit physical contact with one another and maintain proper physical distance. While the MVBT **strongly recommends** wearing masks, groups reserving space may **require** mask wearing (and vaccinations).

In addition to these requirements, all organizations must comply with the following:

### Before Meeting:

- Use of Attendance Sheet for contact tracing purposes is encouraged.
- Open door to exterior.
- Close door to hallway.
- Close partition between kitchen and main hall (leave open if also using Main Hall).
- Turn on hood fan.
- Turn on air purifier.

### After Meeting:

- Turn off air purifier.
- Turn off hood fan.
- Spray disinfectant (located in main hall) on all tables, chairs, high-touch areas, and in restrooms if another group is scheduled to use space in less than 24 hours.
- Return all furniture to original positions.
- Collect trash and recyclables and dispose in dumpsters outside YBA Hall.
- Turn off lights.
- Close doors.
- Secure YBA Hall (if necessary).
