

## **Guidelines for Indoor Gatherings/Meetings/Events**

All areas are available for general use provided prior approval is received from the Building Activities Committee (BAC). Currently MVBT **recommends** wearing masks for any indoor activities.

In addition to these requirements, all organizations must comply with the following:

### **Before Meeting/Gathering/Event:**

- Wherever available, turn on air purifiers/air circulation devices.
- Weather permitting, open windows/doors as appropriate for maximum air exchange.

### **After Meeting/Gathering/Event:**

- Turn off air purifier/air circulation device.
- Clean all tables/surfaces after any use.
- Return all furniture to original positions.
- Collect trash and recyclables and dispose in dumpsters near YBA Hall.
- Turn off lights.
- Close windows (if applicable) and lock door/secure the building.

**Dharma-Centered Interdependence Tradition  
Impermanence Compassion Community**
